

2023-2024
ANNUAL
REPORT

BILL SAHM
President

Bishop Chatard is truly blessed!

The financial position of Bishop Chatard continues to be bright, allowing us to make much-needed improvements to our facilities in this past school year. We have also been able to enhance the programming required for our students to thrive, including providing the resources necessary to help them grow in their faith. This is due in large part to the prayerful support and generosity of the Bishop Chatard community.

Our retreat ministry is stronger than ever resulting in meaningful faith formation experiences for our students. Many upperclassmen serve in leadership roles on the freshman and sophomore retreats. Our in-school faith formation includes theology classes that are taught by strong Catholic educators who share the tenets of our faith, while inviting our students to seek a personal relationship with Jesus Christ. It is important to note that all teachers participate in this aspect of our mission regardless of the content area.

Some of the larger projects of note that were completed in the 2023-2024 school year include:

- 1) Renovation of the cafeteria kitchen
- 2) A new roof for the main building classroom wing
- 3) Two "new to us" 55-passenger coach buses and a 14-passenger shuttle bus
- 4) 155 new lockers in the lower level of the auxiliary gym

We continue to excel in academics with, for the second year in a row, recognition from the College Board's Advanced Placement (AP) Program as a Platinum member of the 2024 AP Honor Roll. To qualify for this designation, at least 80% of our graduating seniors must have successfully completed an AP course and received college credit. In addition, we continue to be recognized as a National Blue Ribbon School.

Enrollment has grown significantly over the past three years and we are in the process of expanding our extra-curricular and co-curricular programming to ensure that our students can continue to participate in multiple activities. We also have plans to add classrooms in order to keep up with our expanding student body.

In the 2022-2023 Annual Report, I mentioned that we had completed a capital campaign feasibility study to determine our ability to raise sufficient funds for much-needed new facilities. The study has turned into an active campaign, which will continue into the Spring of 2025. More information about the case for the campaign, our progress, and how all members of the Bishop Chatard community can participate will be shared in early 2025.

As always, we will continue to pray for all of you who support us with your invaluable prayer, time, and treasure. May God richly bless you for all you do for BCHS!

A lively crowd of 520 guests came together in their favorite throwback attire to support the Bishop Chatard Annual Fund, at Chatard-a-Bration 2024. Thanks to the generosity of both in-person and online participants, we exceeded our goal, raising an impressive \$333,000. Additionally, our Fund-a-Need campaign raised \$50,000 to purchase a second coach bus, bringing the total for the night to over \$383,000.

As more than half of our student body relies on tuition assistance, the Bishop Chatard Annual Fund plays a vital role in providing this support, while also ensuring competitive teacher compensation.

We are incredibly grateful to all of our sponsors, with a special shoutout to our amazing co-chairs, Aaron Dixon and John Leppert. Their leadership and dedication throughout the year made this the best Chatard-a-Bration yet. They brought new friends and supporters on board, from sponsors to attendees and auction bidders across the nation. Thank you, Aaron and John!

We are also grateful to the many volunteers who made the evening a tremendous success. From the auction committee to the decorations team, and the generous families who donated countless items, thank you for making Chatard-a-Bration a resounding success!
