[Meet with Mrs. Saurine](#)

To-Do's:

Regular Decision Deadlines

- Reminder: If you are applying to any regular decision deadlines, many of those fall on January 15th, February 1st or March 1st.
- IMPORTANT:** When you submit applications, it is ESSENTIAL that you move a school to the APPLIED column in Scoir so Mrs. Helfrich is notified to send your documents. You are also welcome to also email Mrs. Helfrich to let her know of any new applications just to ensure she knows to send your documents to your schools.
- Please check the **November**, **December** and **January** newsletters to be sure you completed those tasks

College End of the Year Check-List

Task	Final Deadline	Completed?
Submit your Graduation Slideshow Quote	March 27th	
File the FAFSA OR turn in the FAFSA waiver to guidance (some schools require FAFSA earlier!)	April 15th	
Update all admission decisions and chosen school in Scoir . If you are NOT going to college, be sure Mrs. Helrich knows your plans!	April 25th	
Report Scholarships for every school/organization you received scholarships from	April 25th	

Send a screenshot/pdf of your acceptance letter for the school you are enrolling in to guidance@bishopchatard.org	April 25th	
Enroll in your college and pay the enrollment deposit	By May 1st	
For DI and DII College Athletes: Request your amateurism certificate	June 1st	
Request your Dual Credit Transcripts to be sent to the university you are enrolling in (more info will be sent in April newsletter, not urgent)	June 1st	
Use your AP Score send in College Board (more info will be sent in April newsletter, not urgent)	mid-June	

Additional Information

Mid-Year Reports, Scholarships, Deferral/Waitlisted Information and Letters of Continued Interest: Check the [January newsletter](#) for more information on these topics!

Final Transcript Send

I automatically send your final transcript to the school you indicate you are enrolling in in Scoir once grades are finalized in May. Be sure Scoir is updated with all of your admission decisions (including waitlisted schools!) and your choice of enrollment so your final transcript gets sent to the correct places.

College Athletes

If you are playing a Division I or II sport, you need to request your final amateurism certificate. [Here is more information.](#)

May 1st Celebration

National College Decision Day is on May 1st and we want to celebrate your success! On May 1st, please wear a shirt/apparel for your chosen college/employer/military branch and stop by Guidance for some photos and a treat!

Enrollment

Remember, you need to put a deposit down at whatever school you decide you want to go to in order to hold your spot. **You need to actually tell your college you are going there and pay the enrollment fee. You will likely do this through your college application portal!!**

May 1st is college decision day, if you are hoping to get into a school you are waitlisted at, you will still need to put a deposit down at a place where you were fully admitted before May 1. If you are accepted off of the waitlist, you will unenroll at the school you put a deposit down at and enroll at the school you got off the waitlist for.

You also need to tell me where you are enrolling in Scoir! This is what we will use for graduation materials.
