The entire play takes place in and around Calvin Coolidge High School—a large public high school in New York City. The time is the present.

There will be a 10 minute intermission between Acts I and II.

Special thanks to the following who have lent time and talent to make Up the Down Staircase a success: Mrs. Elaine Carson, Mrs. Sue Vonderhaar, Mr. Terry Cummings, Sullivan Hardware, Business Furniture, Christ the King school, St. Lawrence school and the many parents who transported their young thespians to late evening rehearsals!
